

## **Eastern Naval Command Golden Jubilee Seminar**

### **National Maritime Power: Concepts, Constituents & Catalysts**

The Eastern Naval Command (ENC) and the National Maritime Foundation (NMF) jointly organized the ENC Golden Jubilee Seminar 2017 with the theme titled, “National Maritime Power: Concepts, Constituents & Catalysts”. The seminar was conducted on 22-23 August, 2017, and addressed aspects related to India’s resurgence as a credible maritime power. The two-day seminar was organized into four working sessions, addressing the following issues:-

- Session 1: India as a Resurgent Maritime Power
- Session 2: Maritime Economics, Infrastructure and Marine Environment
- Session 3: Maritime Security and Safety
- Session 4: Regional Maritime Dynamics

The seminar involved participation of speakers from a varied background presenting papers on relevant issues, and vibrant discussions with the audience that comprised the naval fraternity, the maritime industry, students and academia from Visakhapatnam and other parts of the country.

A number of vital takeaways emerged from the seminar in the form of actionable recommendations. These will be forwarded to the relevant policy-makers in the Government of India.
